Underpass Latest Handicap In Plan For 1960 Games

Detour May Solve Latest Effort To Park Cars In Valley

Determination of the planners to provide compacted snow parking in Squaw Valley for the thousands of vehicles expected during the 1960 Olympic games has met with a major setback, which officials are now attempting to overcome.

The original idea of providing exterior parking and utilize a shuttle bus service to transport spectators to and from the valley apparently is not being reconsidered.

The latest handicap is the two-lane underpass under the Southern Pacific tracks just south of the Tahoe-Truckee Wye on Route 89. The division of highways declared excessive costs and limited time would prevent providing a wider underpass, although Route 89 has been widened to accommodate four lanes of traffic from Highway 40 to the Squaw Valley entrance.

One alternative pointed out by the planners is that of repairing the old county road between the tracks and Truckee north of the Truckee River and using it as one lane while another lane uses the underpass.

Division of highway officials have never agreed that the underpass would be widened, but in planning the four-lane freeway between Truckee and the Nevada state line, provision was made to install an interchange at the old Truckee airport, four miles east of here so that the airport could be used, as originally proposed, for a parking area.

This latter idea was apparently completely abandoned when navy crews agreed to experiment with snow compaction equipment in Squaw Valley. Limited success marked the trial last winter and more extensive tests will be conducted this winter to prove the soundness of the idea. The narrow underpass problem may be worked out with the use of the county road, but there is still a grade crossing at its eastern end where 20 trains cross daily, to be considered.

$42,900 Fund For Holiday In Area

An active Christmas shopping season in the Truckee-Lake Tahoe area was indicated today as Bank of America branch Manager Lee H. Apple announced that over 300 Christmas Club checks totaling $42,950 are being mailed to local residents.

This will be part of a statewide distribution of a record $65,5000,000 in Christmas Club checks to 517,000 Californians, Apple reported. Last year's figure was $62,000,000.

Distribution of Christmas Club checks is made in November to enable club members to begin their holiday shopping early. These funds are also used as a source of ready cash for winter vacations, tax payments and end of the year expenses, the local banker said.

BERKELEY WOMAN IS GIVEN JAIL SENTENCE

Mrs. Norma Marglon of Berkeley appeared before Judge Fosten Wilson Monday morning after having spent the weekend in jail and was sentenced to 15 days in the Nevada County jail for drunk driving and driving a car after the license had been suspended. A fine of $525 was also levied and if the fine is not paid, 100 days in jail will be added to the sentence, according to Judge Wilson.

SCHEDULE CHANGES FOR BOOK CLUB MEET

The schedule of meetings of the Great Books Discussion group has been changed for the months of November and December to the first and third Wednesdays. The next meeting will be November 18 beginning at 8 p.m. in the home of Bob and Naomi McLane in Tahoe City.

Miss Winifred Collins and Mrs. Charlottee Patnoude will lead a discussion of Locke's of civil government.

SECOND DAUGHTER FOR RAMEY FAMILY

Mr. and Mrs. Wayne Ramey of Verdi welcomed their second daughter and third child late Wednesday night at Tahoe Forest Hospital. The baby's first weight was 6 pounds, 9 ounces and both the mother and daughter are doing well. Mr. and Mrs. Leslie Grow of Truckee are the maternal grandparents.

VETS OFFICER HERE

A representative of the Veterans Service office at Nevada City will be at the office of the justice court here Friday between the hours of 10 a.m. and 3 p.m. to answer any questions or provide services.

PATRONIZE LOCAL STORES

Traffic Drops With Truckee Still High As Port Of Entry

Yermo, in southern California, edged ahead of Truckee as a port of entry into California last month, but Truckee still maintained a strong position among the 17 reporting quarantine stations.

The local station reported a total of 61,739 auto, 4,443 trucks and 798 buses, with a passenger count of 168,038, according to the October report from the state department of agriculture.

While this marked a drop of 5,578 autos from the September total, it was a gain of more than 17,000 cars over October of last year, the report showed.

Travel over Highway 50 through Meyers at Lake Tahoe also showed a gain over last year with 17,718 cars, 591 trucks and 41 buses reported during last month as compared to 13,254 cars, 683 trucks and two buses during October, 1957.

Yermo, the only station with a higher inspection count than Truckee, had 64,031 cars, 3,134 trucks and 435 buses.

The Truckee passenger count was some 2,000 higher than Yermo, according to the report.

Employment Office Open November 17

The department of employment is again establishing itinerat service to the Truckee area for the purpose of filing unemployment and applications for employment. The department will hold the office in th same place as last year, the Capital Hall.

The first date will be November 17 and the hours will be as follows:

Continued claims and paying benefits, 9 a.m. to 12 noon.

New and reopened claims, 1 p.m. to 2:30 p.m.

People residing in the area from Cisco Grove east to the Nevada stateline along Highway 40 and on Highway 89 to and including Squaw Valley will report on the following dates: November 17, 24; December 8, 12, 22; January 5, 19; February 2, 16; March , 2, 16, 30; April 13, 27; May 12, 25; June 8 and 22.

People living in the area from the Nevada line south to include Kings Beach, Brockway, Tahoe City and the areas bordering the lake and north on Highway 89 to Squaw Valley will report on: November 17; December 1, 15, 29; Jannuary 12, 26; February 9 and 16 March 2, 16, 30; April 13, 27; May 12, 25; June 8 and 22.

YOUTHS ARE HELD IN BURGLARIES AT LAKE

ABURN—Sheriff William A. Scott said today five business house burglaries in Kings Beach, Lake Tahoe, have been cleared with the arrest of two juveniles in Reno.

He reported over $500 in cash and various items of merchandise, taken in the burglaries, have been recovered.

According to Scott, the youths, both 16, are wanted in Michigan for questioning in burglaries and for car theft.

CON BRINER IS NOW ON LECTURE STAFF

Conrad Briner, former principal of the Tahoe-Truckee High School, has completed his post graduate work at Stanford and has earned his Ed.D.,

Briner is now on the lecturing staff at the university and lectures on education. His work requires frequent trips to cities in the east and midwest.

GILL CHANGES PLEA, ASKS PROBATION

NEVADA CITY—William George Gill, 32-year-old Truckeeite, changed his plea from innocent to guilty when he was brought before Superior Judge Vernon Stoll on a charge of assault with a deadly weapon. He also requested probation.

Gill had also been charged with kidnaping in an incident that took place in the Frog Lake area in early September but the kidnaping count was dropped on a motion by District Attorney Harold Berliner "in the interest of justice."

Gill was arrested after he reportedly fired a shotgun near Lawrence Smith and Fred Cox of San Francisco and Walter Taylor, caretaker of the Smith ranch.

Tahoe Area Group To Outline Plans At Nov. 21 Meet

Civic Leaders Will Meet In Crystal Bay For Talk On Lake

CRYSTAL BAY—Civic and business leaders from all over the west have been invited to attend a November 21 dinner meeting of the Lake Tahoe Area Council to hear the aims of the organization and to help formulate its policies and programs.

The Lake Tahoe Area Council was formed to help solve the complex problems of the Tahoe region, most of them brought on by the rapid growth of the area.

Fred Schultz of Tahoe Vista, the council chairman, said that, as examples, the council would exert major effort to help solve planning, zoning and sewage disposal problems around the high mountain lake.

"The Lake Tahoe Area Council is attempting to bring together representatives of these state and county governments, as well as members of the many public and private organizations interested in promoting the orderly growth and development of the area."

He said that the diverse interests of Lake Tahoe residents required the utmost in cooperation if pressing problems are to be solved.

"Interests in Lake Tahoe created by the 1960 Olympics plus the recent tremendous increase in use of the area for residential and resort purposes demands early, positive action to insure the future of the region's natural beauty and its resources," Schultz continued.

Frank E. Marsh, exectuive vice president and general manager of the San Francisco Bay Area Council, will be the principal speaker at the November 21 meeting, which will be held at the Nevada Lodge, Crystal Bay, Lake Tahoe.

County Receives More Road Funds

Apportionment of $12,997,449 in state and federal funds to California counties for construction of county roads included in the federal aid secondary system was announced this week by the state department of public works.

The allocation, which is for the 1959-60 fiscal year includes $8,724,389 from the federal government and $4,274,060 in state highway matching funds.

Nevada County's share for the 1959-60 year amounts to $91,300, of which $53,182 is federal money and $38,118 from the state highway budget.

Placer County's share in the apportionment is $121,015, of which 111,266 comes from the FAS funds and $79,749 from the state matching funds.

County roads on which federal aid secondary funds may be spent are those roads which have been designated by the county, with the approval of the California Highway Commission and the U. S. Bureau of Public Roads, as constituting the county's federal aid secondary system.

For the most part these roads are next in importance to state highways in terms of traffic volume and economic service to the locality, and are often referred to as "feeder roads" or "farm to market roads."

SURVEY IS ASKED TO STUDY LAKE FLOODS

A California-Nevada Interstate Committee on Lake Tahoe water problems has asked the U. S. Bureau of Reclamation and the U. S. Army Corps of Engineers to conduct a study on ways to stop the lake from flooding.

The Tahoe problems committee reported to its parent group, the California-Nevada Interstate Compact Commission, that it had asked the federal groups to make the study by January 1, 1959.

Amalio Gomez, a representative of the corps of engineers, said the study could not possibly be finished in two months. He said if other conditions proved favorable, it might begin by that time.

The committee also asked for further studies of the lake at its present elevation limits with its present outlet works and three comparative studies of the lake's operation with channel improvements, outlet improvements and a .6 foot lower maximum level.

SUNBEAMS

By WALTER M. BARRETT

Recent articles in national publications should create an awareness of the fact that the eyes of the world are turning toward the Truckee and Lake Tahoe community with more than passing interest and speculation. One current magazine devoted considerable space to what we consider an unfair—and we hope a completely untruthful—statement regarding Olympic Winter Games in 1960. The writer, probably without determining facts, reports that Truckee and Tahoe landlords are preparing to charge $25 per night, per person for sleeping space. Housing directors for the games tell us that this is not true, that for the most part they have met with fine cooperation from all who will have rooms to rent, and that prices will be moderate and fair. There will, no doubt, be isolated instances of excessing charging but this should not be tolerated. This area is now in a position to take advantage of a rare opportunity to establish itself as an ideal resort community with a brilliant future, but excessive charging and get-rich-quick methods may place a permanent black mark on the district which no future coaxing, or advertising our God-given assets can erase. It's up to each individual in the community to make the choice.

Shortcut Opened With Ceremonies

Lake Tahoe and Truckee Chamber of Commerce officials participated in the ribbon cutting ceremonies marking the official opening of the new Truckee-Lake Tahoe shortcut Friday morning at 11 o'clock.

A small but enthusiastic crowd gathered to hear brief talks by N. F. Dolley, Truckee chamber president and Robert McMahon, president of the Lake Tahoe Chamber as well as other officials.

Much of the shortcut has been completed and Supervisor Frank Paoli, who attended and spoke at the dedication, said work on the balance of the Placer County section will be in next year's program.

APPLIANCE CHECK IS URGED BY AGENCY

The Placer County Health Department urges that a safety check of heating appliances be made in the home now that cold weather is setting in.

Special attention should be given to the venting of all gas heating appliances and water heaters to make certain that all are vented to the outside with an effective vent pipe, the department warned.

Many deaths result each year from unvented or improperly vented heaters due to the production of carbon monoxide gas, the department's warning continued.

One death at Lake Tahoe has been reported from carbon monoxide poisoning caused by an unvented heater.

Open flame heaters should be eliminated due to the fire hazard involved and the difficulty in properly venting these, the department concluded.

PERMITS REQUIRED FOR CUTTING TREES

KINGS BEACH—If you are contemplating cutting or transporting Christmas trees, first get three cutting permits from owner of land where you intend to cut having each notarized, give one to the U. S. Forest Service and one to Constable Harry Johanson in Tahoe City, or Richard Lavery in Kings Beach, and keep one for yourself.

Second, after you have cut trees, do not move until you have been to court in Tahoe City and requested a transportation permit, which you must have to move trees through and out of Placer County. You will receive tags which will be carried with the driver of each load being removed. Any highway patrolman, or deputy sheriff may validate these tags, a part of which will be returned to the Tahoe Judicial District Court.

Truckee Only City With Free Lights, Edmunds Relates

Chamber Program Held To Dedicate New Street Lights Here

"Truckee is the only community in the state that has modern street lighting without one cent of taxation for its insallation or operation and this is all made possible by the ownership and operation by the people of ourown utilities."

This statement comprised a part of a letter written by Cecil Edmunds, for more than 30 years manager of the Truckee Public Utility District, at a ceremony Saturday evening dedicating the ten new, modern street lights.

Unable to be present at the chamber of commerce sponsored program at which the Tahoe-Truckee High School band provided music and N. F. Dolley, chamber president, presided, Edmunds, who was to have been signally honored for his work in the district, sent a letter which was read to the delegation attending.

"The Truckee Chamber of Commerce is to be commended for sponsoring the installation of these new lights and the directors of the district for authorizing the work," the letter read.

Edmunds pointed out that in 1927, it was the chamber which brought about the formation of the district. At that time there were ten small street lights throughout the town and 25 cents per KWH was being charged for electricity.

It was in the early 1930's, he went on, that the first installation of 10 of the most modern ornamental electroliers were installed with some 40 other lights scattered throughout the area and Truckee became known as the best lighted community of its size in the state.

WOMEN TO ORGANIZE FIREMEN'S AUXILIARY

At the regular meeting of the Truckee Volunteer Fire Department last night at Cozzi's, it was decided that a women's auxiliary shall be formed and a meeting has been called for Tuesday, November 18 at 7:30 p.m. at the fire station to complete details.

The need for assistance from the women was pointed out by Chief N. F. Dolley who said that the extra effort in social activities as well as assisting the firemen in major conflagrations by supplying refreshments, watching for spot fires and other details would be valuable.

Potential members of the organization need not be wives or relatives of the firemen. They need only an interest in the welfare of the community and have a desire to assist, Dolley explained.

MRS. CLARA NELSON EXPIRES IN SOUTH

Word has been received here of the death Tuesday in Morro Bay of Mrs. Clara B. Nelson, 95, for many years a resident of Truckee and Sierra County.

Mrs. Nelson was born in Carson City, Nev., in 1863 when Nevada was still a territory.

She was the mother of Verne A. Nelson of Sacramento, Hubert of Nevada and Mrs. Benjamin Tonini of Morro Bay. She had made her home with the latter for many years.

Funeral services were pending at San Luis Obispo.

GIFT EXCHANGE WILL FEATURE CLUB MEET

TAHOE CITY—The Women's Club of Tahoe City held their regular meeting Thursday, November 6 at the Community Hall where the new by-laws were read and approved.

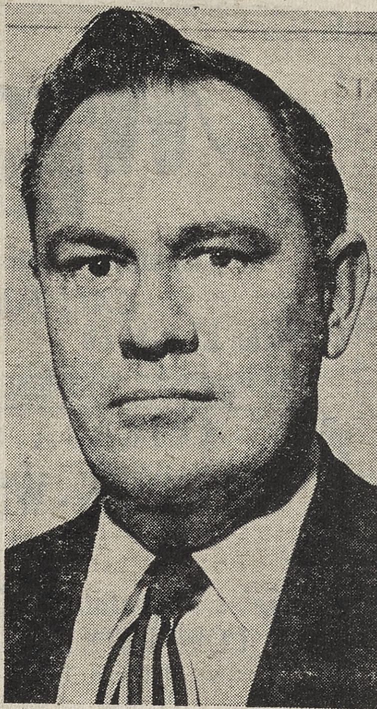
A delicious luncheon was served by the hostesses Mesdames R. J. Taylor, Phil Geier and James Martin.

The next meeting will be held at the same place December 4th when a Christmas gift exchange will be an attraction.

CHINESE FOOD AGAIN ON GOODFELLOW LIST

Reg Smart of Goodfellows Coffee Shop this week announced that commencing Saturday, the establishment will again feature Chinese meals every Saturday and Tuesday between 6 and 8 p.m. Smart said many new items have been added to the menu and that dishes to take out will be prepared.

Candidate



RONALD G. CAMERON

Ron Cameron To Seek Senate Post

Auburn Attorney Ronald G. Cameron today became the first candidate to announce for the 7th Distric State Senate post being vacated next January by Congressman-elect Harold T. Johnson. Johnson already has announced he would resign in January. A special election will then be called by the governor for possibly some time in March. In a prepared statement, Cameron, who chairmanned the Placer County Brown for Governor Committee, said:

"The election of State Senator Harold T. (Bizz) Johnson to congress and his resignation effective January 3, 1959 means that the governor must call a special election in the Seventh Senatorial District to elect his successor. This election will probably he held during March or April of 1959, but no candidate may file for office until after January 3rd.

"The vacancy created by Senator Johnson's resignation will be a very difficult one to fill. During his term he has demonstrated a vigor and integrity that gave him a position of great respect and a reputation for effective and successful legislation rarely equalled in the state senate. The problems and opportunities facing the next

TWO ARE FINED FOR CHRISTMAS TREES

TAHOE CITY—On Friday, No-Nov. 7, District Judge Harry Charrison of Tahoe City, fined A. J. Rupley of Lotus, Cal., and A. Bigelow of Placerville, fines totaling $200.

Rupley and Bigelow were cited by forest officers of the Tahoe Cooperative Christmas Tree Patrol with failure to file with local county and forest officers prior to cutting and cutting without permission of the landowner.

HELLERS BACK FROM BAY SHOPPING TRIP

Mr. and Mrs. Charles R. Heller accompanied by members of their variety store clerking staff, were in Oakland during the weekend purchasing merchandise for the store here, with emphasis on the latest Christmas gift items.

Accompanying the Hellers were Mrs. Stella Thomas, Mrs. Mildred Shaw, Mrs. Margaret Robey and Miss Carolyn Shaw.

COUNTY SHARES IN LICENSE FEE FUNDS

SACRAMENTO— (CNS) Russell S. Munro, director of the department of alcoholic beverage control, has announced distribution of $3,375,098 to the 58 counties, representing 90 per cent of all alcoholic beverage license fees and 90 per cent of moneys collected from offers in compromise.

This included $10,477 for Nevada County. Of the county's share $5,634 went to the unincorporated area.

Munro said the distribution was for the period from March 1 to August 31 of this year.

NOVEMBER BIRTHDATES

Young Daven Morey celebrated his birthdate, November 4. Other local people included Mrs. Lauren Russell whose natal date, November 6, preceded one day by son Randy who celebrated quietly because he was ill.

Search Continues For Two Boys In Wounding Of Man

Truck Driver Shot In Side By Young Boys On Highway Job

Officers today were still without clues to the identity of two teen-age boys who shot a truck driver two miles east of Truckee yesterday afternoon and apparently have escaped.

The victim, who is being treated at the Tahoe Forest Hospital for serious puncture wounds in his lower left side, is Duffy Lambert Midyett, 23, of San Rafael, employed by Frederickson and Watson, contractors on the new freeway job.

Sergeant Frank Snyder of the California Highway Patrol, who is aiding sheriff's deputies in the investigation, said Midyett was unloading lumber at what is known as the Fibreboard bridge on the new freeway, two miles east of here when the boys got in his way. He ordered them to leave and they responded. However, when he returned with a second load, he was greeted with the shot. The small calibre rifle apparently was loaded with small shot and the wound showed a number of punctures, rather than a bullet hole.

Midyett was unable to give a good description of his assailants, but judged them to be 13 or 14 years of age.

Deputy Sheriff Roy Waters today was checking the schools to determine absentees Wednesday afternoon so they can be questioned.

Midyett is expected to be in the hospital for several days.

Wolverines End Successful Year

by JOHN FIRPO

The Tahoe-Truckee Wolverines climaxed their most successful grid year in their history last Saturday at Al Tahoe where they tromped the home team South Tahoe, 48-25 in the annual "Battle of the Lake" contest.

It was the sixth win in nine starts this season for Stan Drakulich's Wolverines and gained them second place in the final "A" conference standings; the best ever for TnT.

This was the best and last year for Drakulich who has brought forth many ambitious, clean, and sportsmanlike teams in his years at Tahoe-Truckee. Though his record isn't outstanding at TnT the fans and players will never forget him as long as football continues at Truckee.

Drakulich worked in his newly acquired 9 Jay Vees on each kickoff and play along with his regulars.

The game was the best show of offensive strength by the Mountain Men this campaign. They averaged 17.1 points offensively while holding their opponents to 10.7 per game. The men from TnT also shut out their opponents four times while being shut out once themselves, that at the hands of the "A" champs, the Winnemucca Buckaroos.

The Wolverines will lose 12 lettermen, all seniors.

SWAP NIGHT PLANNED BY TAHOE SKI CLUB

TAHOE CITY—The Squaw Valley-Lake Tahoe Ski Club, host to the 1960 Olympic Winter games, announces the next meeting, Nov. 21 at 8 p.m. in the Community Center at Tahoe City, will be Swap Night. Everyone is invited to bring good, used outgrown clothing and ski equipment for exchange. A free movie will be shown and refreshments served.

SODA SPRINGS LODGE ASKS TO INCORPORATE

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced the famous old Soda Springs Lodge in Nevada County has filed articles of incorporation with his office, to be capitalized at $75,000 in $10 par shares.

Directors of the company were listed as William J. Cannon and Vincent Lyddane, both of Soda Springs; and Owen K. Metz, Oakland.

LOCAL WOMAN BACK FROM MOTHER'S RITE

Mrs. Ed Hellar returned Sunday night by airplane from Wisner, Neb., where she attended funeral services for her mother, Mrs. Alice Rees.

Mrs. Rees had visited her family here and is also survived by two other daughters and five sons. This is the third death in the family this year, during the earlier months Mrs. Hellar lost a sister and a brother.

George Waters, long-time local hospital, following a sudden illness, hospital, folowing a sudden illness. He was reported improving yesterday by Mrs. Waters, his friends are pleased to learn.

ASSESSMENT DISTRICT 1-1957
TRUCKEE SANITARY DISTRICT
TRUCKEE, CALIFORNIA

NOTICE OF FILING OF ASSESSMENT AND OF TIME AND PLACE OF HEARING ON ASSESSMENT DISTRICT 1-1957 ASSESSMENT

NOTICE IS HEREBY GIVEN that on the 11th day of November, 1958, there was filed with the undersigned, Clerk and ex-officio Secretary of Truckee Sanitary District, an assessment to cover the sum due for the work and improvement done and performed by the contractor under and in pursuance of the "Improvement Act of 1911," reference being made to Resolution of Intention No. 4-58 of the Board of Directors of Truckee Sanitary District, adopted May 6, 1958, for the description of said work and improvement and of the district to be assessed to pay the costs and expenses therof. Said assessment is being made pursuant to the provisions and requirements of said Act, according to the character of the work done, and has attached thereto a diagram of said district as required by said Act.

Said assessment briefly refers to the agreement with said contractor and to the work contracted for and performed and shows the amount to be paid to said contractor for the said work and improvement contracted for and performed, together with all incidental expenses, and shows the amount of each assessment against each lot or portion or portions of a lot assessed to pay the same, and has attached thereto a diagram exhibiting each street or street crossing, place, or portion of right of way on which any of said work has been done, numbered to correspond with the numbers of the respective assessments.

NOTICE IS HEREBY FURTHER GIVEN that Tuesday, the 2nd day of December, 1958, at the hour of 7 o'clock P.M. of said day, is the time fixed by the undersigned when all persons interested in the work done or in the assessment may appear at the regular meeting place of the Board of Directors of Truckee Sanitary District, Truckee Justice Court office, Truckee, California, and be heard by the said Board of Directors.

The owners, the contractor, or its assigns, and all other persons interested in said work, or in the assessment, feeling aggrieved by any act or determination of the District Engineers of said District in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or who claim that any portion of the work for any reason was omitted or illegally included in the contract, or having or making any objection to the correctness of the assessment or diagram or other act, determination or proceedings of the District Engineers, shall, prior to the day fixed for said hearing, appeal to said Board of Directors by briefly stating in writing the grounds of appeal. Any objection, appeal or protest not made at the time and in the manner hereinabove provided shall be deemed to be waived voluntarily by any person who might have made such appeal, protest or objection,and such person shall be deemed to have consented to the proposed assessment and any other matter on which objection, protest or appeal could be made.

Dated: November 11, 1958.
JOHN J. McGLADE
Clerk and ex-officio Secretary
Truckee Sanitary District.

TnT Tidings
by NANCY WATTS

The senior class, after having studied the recent political campaigns since the beginning of the term, held an election in the senior problems classes November 3. Voting only on some of the most important issues, the class chose Pat Brown for governor; Clair Engle for U. S. senator and voted "no" on propositions 2, 16, 17 and 18. Although this was only a mock election, the students had made careful studies of all sides of the questions and tried to make wise decisions.

—o—

The rally held last Friday was a lot of fun, even if it was a little unusual. The cheerleaders, songleaders and majorettes had donned every piece of crazy clothing they could find and looked very odd. It was a good rally, though, and there was quite a bit of spirit shown.

—o—

"Jungle Jazz", the freshmen's dance, was held last Friday in the gym. Unfortunately, because of the game the next day with South Tahoe, the members of the football team were unable to attend. In spite of the depleted attendance, the class feels the dance was worthwhile because they made some money.

—o—

The last football game of the season, and for the senior boys, their last high school game, was played Saturday. Even though it was their homecoming, South Tahoe lost 42 to 24. The many rooters who attended should be congratulated for their fine spirit and the team for a fine game.

It costs the federal government more than $2 million annually to dredge eight million cubic yards of silt from San Francisco Bay.

The "Dictionary of Occupational Titles" of the U. S. Department of Labor defines and describes about 23,000 jobs.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Gene And Ilete On Trip

Gene Faulkner and his sister, Ilete left here to spend a week with their mother at Santa Ana. Gene is sporting a brand new Cad.

Home Again

Very happy to know that Dorothy Van Allen is home from the hospital again, although still pretty weak, she is doing fairly well.

Mr. and Mrs. Harry Klitzke, Sr., have returned from a trip to Hollywood bringing Mrs. Klitzke's sister of Covina for a short stay.

Crystal Bay Club did themselves proud as hosts to the turkey shoot during the past week.

Back To Town

Art and Mrs. Mueller, who have been building here all summer, have left for Pasadena until spring.

Wiley Jones says to get prepared for the annual polio drive that will be starting in the near future. Wiley is one of the top officers and does a swell job each year.

Walt Bailey and daughter, Carol, made it fast in a brand new Dodge sedan.

Busy Weekend

More than 20 buses brought people to Crystal Bay on the past weekend.

Birthday

Grandma Gaumer, Pappy Brook's mother, is 90 now and what a lovely lady she is. Able to do her little chores around the house, she lives with Harry and Mrs. Brooks on Fox street.

Building

The Fred Bakers are building an addition to their home in Tahoe Vista.

Bob Daneria has his garage about finished at Tahoe Vista.

The Crays at Agate Bay Lodge are building new units.

Bonnie Barnett is remodeling her home in Kings Beach. She will live on the ground floor in a lovely home, and have rentals upstairs.

Have you noticed the trailers that are staying in for the winter at Hall's Tahoe Vista Trail Court? Look comfortable, too.

Erwin and Alice Kellogg were up over the weekend checking on their place at Tahoe Vista.

Thelma Burroughs is in Auburn where she can have daily therapy. Since her accident this fall, she is improving but she and Mac will have to stay quite awhile.

Our Truckee road is going to help us all to hurry to Truckee. It's surely a long looked for accomplishment.

Monday morning and we have a little of the white stuff. Looks like winter is coming at last.

DONNER SUMMIT NEWS

by DONNA I. POWER

Visitor

Mrs. Hildegrade Pratt spent this weekend visiting with her husband, Harry Pratt at Soda Springs. Mrs. Pratt left her daughter, Nancy, at the Pratt home in Sacramento ill with a severe throat infection.

Residents Move

The Strickland family of Soda Springs is planning to move to the Donner Lake area soon. The Strickland home will be rented. The family will move to allow Mrs. Strickland to be closer to her new job. She has accepted employment with the California Highway Patrol where she is a radio dispatcher.

Ski Lift

The Soda Springs Ski Corporation, owners of which are Albert Kelly and Max Williamson of Soda Springs and Sherman Reams of Truckee, has announced the construction of a fourth ski lift on the Soda Springs ski hill. The new "T" bar lift will be 1800 feet from foot to top of the hill when completed. Albert Kelly, part owner in the lift, points out that under certain snow conditions this lift will allow skiers on the hill earlier in the fall season. The tow is being installed to the east of the present rope tow and extends to the peak of the same hill as does the present chair lift.

School Chef

The Donner Trail School is currently without a cook for the cafeteria. Mrs. Dorothy Bacon served her last lunch to the school children November 3. Mrs. Ilsa Bisson of Soda Springs has been employed to fill the position. Because of her present health condition she has been unable to fill the position. In her absence the children have been enjoying picnicking in the area. These excursions have given the children an opportunity to enjoy the fall sunshine and glorious colors.

LAKE LEVEL

TAHOE CITY—With seven gates partly open, the level of Lake Tahoe Monday was 6227.55, provisional, subject to revision. The storm Monday left .09 of an inch of precipitation in snow which measured half an inch. Temperatures have ranged from a cool 32 to a high of 65 during the week.

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

1960 OLYMPIC PROGRESS REPORT

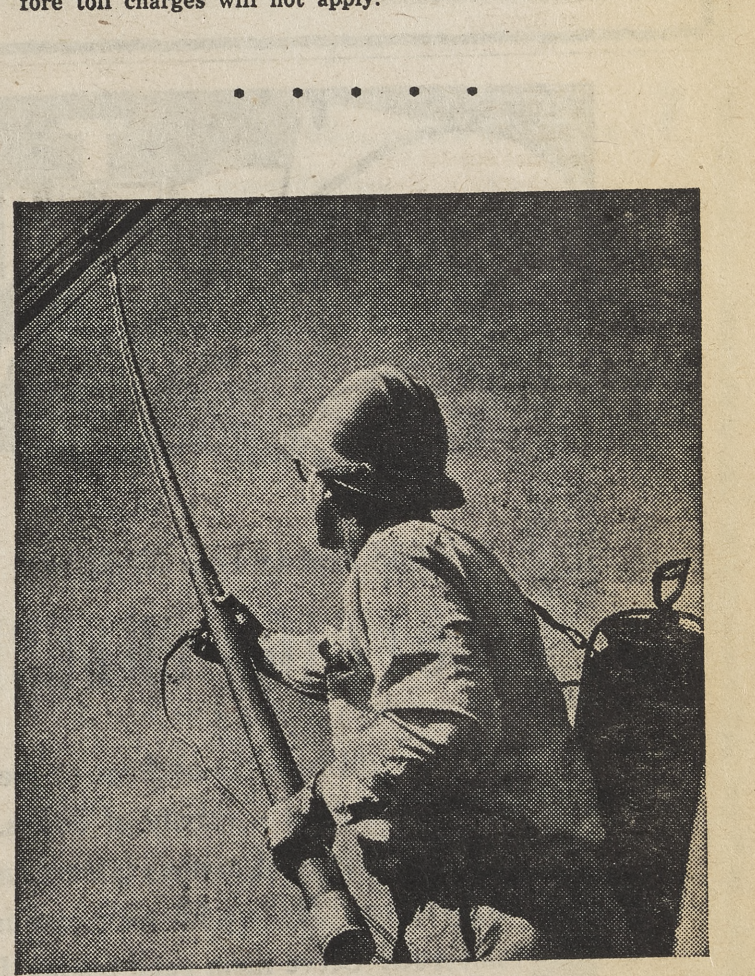
Bill Emington, Chief Switchman for the Telephone Co. at Tahoe City, said that $30,600 worth of additional central office equipment is now being installed by seven Western Electric installers.

The new equipment provides for 300 terminals and associated equipment, which is required to add a new number series, OLympic 8—at Tahoe City to service the special rate area at Squaw Valley.

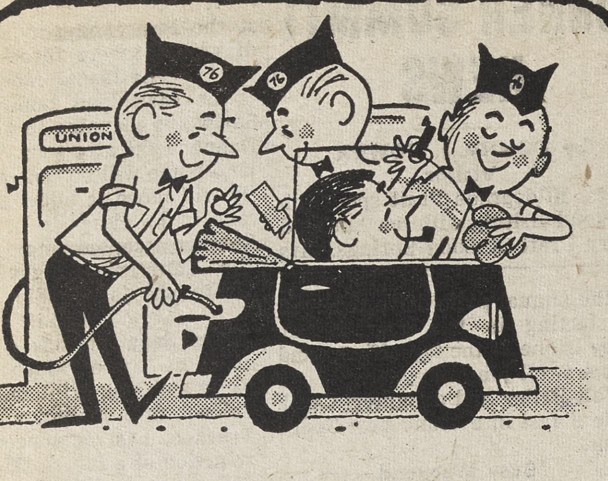
The installation will be completed approximately December 15 of this year.

Squaw Valley is a part of the Tahoe City exchange, therefore toll charges will not apply.

• • • • •



The long pole in the hands of this telephone man looks like just the thing for fishing. But it's not a fish he's after; it's trouble. He's giving that cable a "bubble bath," spraying it with a gummy, liquid solution. If the cable is damaged, air will escape through the cracks and form bubbles along the cable. And that's our cue to make repairs swiftly, so your calls won't be affected. In this and many other ways, we keep close tabs on your service. This keeps your phone working more dependably—makes your service better.



Miss GotRocks has her limousine
And I have my midget machine.
But out on a highway,
A street, or a byway,
Minute Men serve us both with esteem.

Nadine Cicero, Hayward, Calif.

So true! So quick, so thorough and so complete is Minute Man service that Union Oil customers say it's as good as the gasoline. High praise indeed—the gasoline is Royal 76, the West's most powerful premium!

WIN $25.00! Send us a limerick about your favorite Union Oil product or service. If it's a winner, we'll pay you $25 on publication. Write to: 76 Limericks, Union Oil, Box 7600, Los Angeles 54, Calif.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Harvest Ball

The second big party of the season following the Rotary's Halloween costume party which was a great success as always, was the harvest ball held last Saturday the 8th of November at the Tahoe Inn in Tahoe City. The ball was sponsored by the P.T.A. of the Tahoe Lake School. The decorations were in the fall yellows, browns, golds, and pumpkins and harvest wheat were also used in the decorations. The delicious and plentiful buffet that followed the dancing later in the evening was prepared by the mothers of the school children. The table was laden with sandwiches, salads, desserts of pies and cakes.

Ski Clubs Meets

There was an excellent turnout for the meeting of the Squaw Valley-Lake Tahoe Ski Club held at Squaw Valley Lodge this past Friday. Most of the old members and many new and prospective members attended the meeting presided over by President Dave McBride. Plans were made and explanation given for the help needed from the club in the staging of the Olympics. After the discussion, pictures of the last Winter Olympics held at Cortina Italy were shown and enjoyed by all.

Very Ill

Dorothy Van Allen is very ill in St. Mary's Hospital in Reno. She had just recently returned from an operation in San Francisco and was seemingly progressing when she became ill again, and was rushed to St. Mary's where she stayed for two weeks. All of her many friends are greatly concerned and wish her the very best. If any of you are in Reno you might drop in for a short visit or just send a card to let Dottie know you are thinking of her.

Returned From Hospital

Returned home after an operation at Tahoe Forest Hospital is Billie Jones of Tahoe City. Billie is recuperating and doing just fine, would love to see some of her friends now that she is a little rested. Jack Dunn is also home from the hospital and back at work, much to the delight of his friends and customers.

Surprise Shower

A surprise shower was given Wednesday night at the home of Barbara Spitsen in Tahoe City for bride-elect Christine Bechdolt. The group of hostesses are: Jean Henry, Beulah Carnell, Dorothy Platek, Vi Pomin, Barbara Spitsen and Maizie Carnell. The guests consisted of the lady golfers from the Tahoe City area and Truckee. The theme was golfing carried out by a miniature nine-half golf course with Christine's gifts distributed at each hole under flags. Games were related to golfing. The cake was two beautiful white hearts with Chris and Angie in pink surrounded by pink roses, with pink and white confetti encircling the cake.

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS
Tahoe City Community Center

Sunday School — 11:15 a.m.
Sacrament Meeting — 12:15 p.m.
Priesthood Meeting — 1:00 p.m.

CHURCH OF THE MOUNTAINS
(Methodist)
John Albert Taylor, Pastor

Church School: 7th grade and above: 10:15 a.m.
Pre-school and elementary grades: 11 a.m.
Morning Worship: 11 a. m.
Bible Study: 7 p. m.
Youth Fellowship: 8 p. m.

In the vocabulary of the evangelist one word turns up time and time again. That word is "lost". For many of us the meaning of the term is bewildering and obscure. It speaks in vague generalities of man's relationship to God. Such a relationship is usually couched in archaic phraseology which leaves us in a state of confusion. Sunday, Pastor Taylor will discuss this term in his sermon entitled: "New Ways of Getting Lost."

ST. NICHOLAS CHURCH
Protestant Episcopal

At St. Nicholas Hall on Outdoor Chapel grounds serving all Christians, one-half mile south Tahoe City, on Highway 89.

Morning prayer and sermon, 11 o'clock.

Sunday school, 9:45 a.m. Community Center building.

For information concerning activities call JU 3-3329.

CATHOLIC CHURCH
Father P. J. O'Neill, Pastor

Tahoe City: Corpus Christ Church: Mass at 8 a.m.
Truckee: Assumption Church: Mass at 9:30 a. m.
Kings Beach: Our Lady of the Lake Church: Mass at 11:30 a.m.

Daily mass will be held at Assumption Church, Truckee at 7:30 a.m. Confessions at Truckee Saturday evenings between 7 and 8 p.m.

Confessions at Lake Tahoe will be held one-half hour before the mass periods.

TRUCKEE BIBLE CHURCH
(Non-denominational)
Roy S. Rhoades, Pastor

Teen-time will meet at the church Friday evening at 7 o'clock for a singspiration. Accordion music will be enjoyed as well as refreshments.

The church school convenes at 10 a.m. each Lord's Day with morning worship at 11. The message this week will be "Disobedience, the Neglected Virtue." Sunday evening services are at 7:30.

NEWCOMERS CLUB TO HOLD MEET FRIDAY

KINGS BEACH—The Newcomers Club of Lake Tahoe will hold a town hall meeting Friday, November 14 at 7 o'clock in the Kings Paoli and Sheriff Scott.

The visitors will answer questions and receive suggestions for the general improvement of the lake district and all interested are invited to attend. Harry Hooper will be the moderator.

At the same hour in the activity room of the same building, the P.T.A. will show a Walt Disney movie for the children, the first of the season.

A small sum will be charged for the movie.

Beach elementary school when when Mrs. George Bacus, president of the group will introduce the evening's guests, Placer County supervisors Anderson and Frank

TAHOE TRUCKEE SCHOOL NEWS

Truckee Elementary

KINDERGARTEN: We hope that most of our class has had chickenpox, as Debra Weinand is out of school now because of it.

Our birthday celebrations are coming thick and fast. This week we helped Jimmy Baker and Marcia Acosta observe theirs. Now only one four-year-old is left.

FIRST GRADE: We are working on a mural of "Our Community". Byron Johnston, Mark Manley, Debdie Wurst, Ilene Hunt and Margaret McLane are working on the roads and mountains.

Team captains for the week were Druscilla Turner and Ben King.

THIRD GRADE: Our health booklets are nearly completed. Thomas Romo, Dianne Daly, John McGlade, Jennifer O'Bear, Michael Brown and Robert Goldsmith have done outstanding jobs in the construction, and art production.

THIRD AND FOURTH GRADES: Class officers for November will be president, Lenny Vind; vicepresident, Elgin Johnston; treasurer, David Curtis and secretary, Kathy Braasch.

An interesting report about turpentine was given by Wilbur Glenn.

Rhonda Manley has been doing an excellent job as class librarian.

FOURTH GRADE: Nature study received a new specimen when Cam Houlgate brought a baby crawdab to school.

Class officers elected for November were as follows: Beverly Holleman, chairman; Ronnie Walker, cochairman; Craig Mullis, secretary.

In reading Sharon Petersen, Dennis Richards, Eileen Olson and Karen Hedland deserve praise for their improvement. Grace Blakely and Bruce King presented enjoyable reports from the encylopedias.

Imagine our surprise when the girls (Chris Foster, Darlene Doolittle, Beverly Holleman and Grace Blakely) soundly defeated the boys' team in football. How shocked were John Collier, Billy Sassarini, Billy Hobbs, Craig Mullis, Billy Waters, Jim Reynolds, Gary Waters, Brad Haueisen, Johnny Hiatt and others when the stunning upset took place.

In spelling outstanding work was done by Gail Englehart, Beverly Holleman, Garee Lynn Stewart, Marianne Moore, Darlene Doolittle and Donna Smith. Gail Englehart and Chris Foster earned first place in drawings presented for Thanksgiving theme.

FIFTH GRADE: The hustling 5th grade basketball team opened their season with a bang! Behind the shooting of John Besio, who banged in seven shots, and the defensive work of Larry Digesti, Jimmy Pridmore, Monty Straub and Doug Nelson, the 5th graders downed their older rivals the sixth grade 14 to 0.

Ann Morey, Robby Christman, Debbie Blair and Pat Hansen turned in stellar performances as cheer leaders.

Two new faces, Pat Hansen and Thom Butrick, joined the fifth grade song team the "High Notes" who entertained the PTA at the last meeting.

SIXTH GRADE: Monday we had election and Dennis Douglas was elected president and Pat Shane, secretary.

In our general review test in spelling, there were 11 100's. Janeen Smith, Lynn Quartly, Marcia Leamon, Pat Shane, Dennis Douglas, Danny Garcia, Brenda Blair, Tod Bedrosian, David Sarani and Dennis Stumbaugh and Gloria Boyer.

Tahoe Lake School

FIRST GRADE: Twelve out of 19 children in the top reading group scored perfect papers with double stars on their 60 word vocabulary test at the end of the third pre-primer. The top readers are Carl Larson, Sally Starratt, David Timbrell, Patty Barngrove, Mildred Norton, Debra Stark, Nancy Beavers, Melinda Bechdolt, Dorothy Pomin, Sands Hall, Laura Hoxsie and Christina Keehn. Four others missed only one word.

SECOND GRADE: The second grade worked out time concepts originating with the class time, recess time and bus time.

THIRD GRADE: The pupils of our class have started language workbooks of their own.

FOURTH GRADE: Our Halloween party was a huge success. Our thanks go to the following room mothers for arranging and supervising the party: Mesdames George Lardner, Oakley Hall, Clifford Plew Robert Stark and R. J. Wray.

Children receiving outstanding in arithmetic for the week were Tommy Barr, Chris Beavers, Dick Pomin, Marty Spitsen and Darlinda Stark. Outstanding grades in spelling during the week were received by Jon Caulkett, Tad Hall, John Korsun, Dick Pomin, Cathy Barrett, Lynn Harper, Kathleen Norton and Darlinda Stark. Lynn Harper became our spell-down champ for the week.

FIFTH GRADE: New officers for the next six weeks were elected. They are: Karen McBride president; Alice Calhoun, vice president, and Dick Nielsen, secretary-treasurer.

The new president appointed six monitors for the six-weeks period. They are traffic patrolman, Jeff Lodi, Larry Grenz, Jerry Jorgenson and Stephen Rogers; room, Lance Poulsen; paper monitors, Joyce Anderson and Kenny Kimball; library, Kristen Meixner and Julianne Bechdolt; hall, Benny Keechler.

Kings Beach School

KINDERGARTEN: The kindergarten class entertained the school assembly and kindergarten parents with a Halloween party last Thursday, October 30. Martha Pope led the boys and girls in a poem and Allen McDonald led another poem. The group danced and sang a polka.

The following boys and girls have completed a project on Autumn Trees in paper masaic: Penny Jephson, Becky Anderson, Richard Abbott, June Hampton and Terry Wainscoat.

SECOND GRADE: In our weekly spelling test the following children received 100 per cent: Jennie Hoffman, Mickey Barker, Cathy McIntyre, Donna Martin, Candy Ehlers Charles Weber, Steve Krips, Tari Stevens, David Schrantz, Tommy Barnum, Gregg Gunkel, Ellen Dennis and Chris McDonald.

THIRD GRADE: The boys and girls of the class have been making good use of our library books. The advanced readers are making book reports, a new experience for them.

In our health books we have been studying the five senses.

Georgia Burris and Bobby Brandt have been on vacation but took their school books along so they would not miss too much.

FOURTH GRADE: Fourth grade has been listening to the book reports this week written by the students in the class.

In physical education, the class has mastered circle kick ball, foursquare and long ball.

Some of the top penmanship papers written were by Catherine Rockholm, Vichi Jones, Toni Hanson, Susan Clackett, Steve Malmgren, Nancy Hutchison, Everly Clinton and Carol Corbin.

FIFTH GRADE: We are studying the senses in science. Phil Thomsson brought a picture of a horse from Mexico to hang in our classroom. Howard Price and Bruce Templeton are in the sixth grade work book of science.

This is book week for children and Marlea Draney and Carol Franklin fixed a bulletin board for book week.

SIXTH GRADE: Mrs. Price was our substitute teacher while Mr. Anderson was ill.

We have two new students. One is Gary Hubbard and the other is Donald Hopkins. We have also lost Janet Sines and we are going to lose Leta Lamore and Rollin Kehlet.

The following students do not have demerits: Ronnie Backer, Donald Hopkins, Wendy Boatman, Carl Brooks, Carol Bruce, Donnie Bury, Michell Carter, Penny Clarke, Susan Graton, Raymond Hill, Estelle Howell, Mike Keehn, "Easy" Kehlet, Leta Laborde, Susan Knapp, Roger Michener, Sharon Nyblom, Carrie Payne, David Reed, Katie Schwieger, Jayne Shanty, Linda Sprauge, Nancy Bervid, Art Waddell, Marie Wainscoat and Gary Hubbard.

Those absent this week were Estelle Howell, Leta Laborde, Dennis Clinton and Tom North.

SEVENTH GRADE: We have been reviewing arithmetic processes through fractions but this week we are learning about measuring. Danell Pomin, Karen Lee Critchley, Richard Krips, Sandra Snyder, Lee Elliott, Peggy Cernusak, Greg Thompkins and Lee Heise turned in good papers on perimeter and area problems using a formula used in geometry.

The best view of San Francisco's ocean beach and Playland is afforded from Sutro Heights Park, overlooking the Cliff House.

WORK PROGRESSING ON ST. NICHOLAS HALL

TAHOE CITY—A large crowd turned out to work on the new St. Nicholas Hall. The exterior was painted, windows replaced and already the S. P. building, which was an eyesore, has become very attractive in its gay coat of red and white.

Persons who wish to work may do so any day or evening. Another work day will be held next Saturday when it is hoped the building will soon become usable.

Still needed are one more electric stove, linoleum, a sump pump, dishes, silverware, pots and pans, gas furnaces, furniture, drapes. Call Juniper 3-3329 and a truck will pickup. Also needed is furniture and Sunday school equipment. A complete list of donors will appear later.

A boys' club for St. Nicholas will be started this week at St. Nicholas Hall. Bob Fritchi, MIT student, who is here on leave, will be in charge. All manner of boys sports and activities will be stressed. All boys are invited to attend.

CHANGES IN PERSONNEL

Mr. and Mrs. Frank Giovannoni Jr., have left for Arcata where he is employed by Z Markets. A new employe of the local store is C. Curtis and Jerry Quam has returned to Truckee where he is employed at the local market.

ESQUIRE TRIO TO BE ON BILL AT LODGE

CRYSTAL BAY—After November 12 there is lots of excitement and surprises in store for visitors to the Nevada Lodge, the big year-round hotel casino at the beautiful North end of Lake Tahoe.

That is when the Esquire Trio, one of the most entertaining groups ever to visit the Tahoe area made its debut in the theater bar of the lodge.

Composed of Bob Hannas, Joe Martini and Eddie Bee, the popular trio surprises with dozens of comedy sketches as well as entertaining with strong instrumental and vocal harmony numbers. These versatile entertainers have just completed a feature role in the Metro-Goldyn-Mayer production of "Tunnel of Love" starring Doris Day and Richard Widmark.

Cameron

Continued from Page 1

and this district during the next two years are so great that it is most important that the voters of this area have ample time to become acquainted with possible candidates for that office.

"Therefore, I announce that I intend to seek the office of state senator, Seventh Senatorial District. I will do so openly, publicly, and actively, and if there is sufficient support from members of the democratic party in this district, I will file my candidacy at the proper time.

"I shall seek office as a democrat. I am proud of my party and the political philosophy upon which its policies are based."

Cameron, 41, has been active in democratic circles, having been a founder and past president of the Placer County Democratic Men's Club, member and currently vice chairman of the Placer County Democratic Central Committee and State Central Committee and county delegate to the California Democratic Council.

He attended U.C.L.A. where he received his BA degree in political science with honors in 1939 and obtained his law degree from USC in 1948 where he was a member of the Order of the Coif, national legal honor society. Following graduation from U.C.L.A. he served in the army from 1941 to 1946.

In Auburn, Cameron has been active in numerous civic and fraternal organizations. He is a past president of the Auburn Area Chamber of Commerce and the Auburn Kiwanis Club and is currently chairman of the citizens committee for the Placer Hills School District.

Cameron and his wife, Irene, and two daughters, Jane 5, and Laurie 4, reside at Clipper Gap.

FIRE SEASON OVER

Termination of the 1958 fire season for the Tahoe National Forest effective November 14, was announced today by Forest Supervisor H. E. Branagh.

Leave For Hawaii—

Mr. and Mrs. A. E. Burlingham had as their guests last week Mrs. Dee Ramsey and her daughter, Melinda. The visitors left for Hawaii to join Mrs. Ramsey's husband, who is stationed in the Islands with the U. S. Navy.

Learn Of Friends Activities—

Mr. and Mrs. Gus Benjamin at Grand Junction, Colo., and Mr. and Mrs. Warden Fields at Mounds, Okla., wrote this week that they are enjoying the Sierra Sun, helping them to keep in touch with their friends in Truckee and Lake Tahoe.

To Auburn—

Mr. and Mrs. Mike Goicoa have left here to make their home at Auburn.

OSBURN SHOWS FILMS AT ROTARY MEETING

TAHOE CITY — Clarence Osburn of Truckee entertained the Tahoe City Rotarians at the November 4 dinner meeting with color slides taken on a recent trip to Alaska with Mrs. Osburn. The views were taken during the nine-day trip over the Alcan Highway and showed beautiful landscapes and numerous lakes. Many of the lakes, Osburn said, are still unnamed and much of the distant terrain has never been visited by man.

Some of the views showed forest fires, one a mile in length, with no attempt to stop any of them.

"They just let them burn out in the far north," Osburn declared.

The trip in was made with Miss Marie Osburn, the speaker's niece and a friend of the latter. Osburn and his wife flew home. Distant landscapes, showing wild life, were taken from the plane.

Don Snyder was the program chairman at the meeting and Martin Spitsen presided.

Mr. and Mrs. R. Olson left for San Jose this week where he has been transferred by the Bank of America.

CARD OF THANKS

For the many deeds and expressions of sympathy extended me during my recent illness, I take this means of saying thanks to each one.

Richard Joseph.

CARD OF THANKS

For the loving rememberances and kind messages send during my bereavement, I am truly grateful to our friends.

Mrs. Matt Green and family.

FIRST SNOW

The first snow fall of the season blanketed this area Monday morning. While the fall was light here, registering less than half an inch, Donner Summit region was covered by a three-inch blanket. Most of the snow has disappeared as warmer weather returned.

PARTY DRESSES
by ALICE OF CALIFORNIA

THE FLIRT!....
An out-and -out WOW. It is a gentle, subtle fit all the way to the knees and then a firecracker flounce, a low band, a big rose and under it—a taffeta and net pettiskirt.

GALA GIRL!....
A party dress if ever there was one—and a very "FALL '58." With newly fitted bust, waist and hips. The hip band is accented with a sparkle of rhinestones and then there's a flounce of fullness*** and it stays that way because of a taffeta and net pettiskirt.

IN THE CONFUSION OF THE FIRE, TARZAN CAME FACE TO FACE WITH THE *CREATURE*-- A GIGANTIC, HALF-CRAZED NATIVE!
Tarzan®
by EDGAR RICE BURROUGHS
TARZAN CAREFULLY BACK-TRACKED AS THE SNARLING MONSTER ADVANCED WITH OUTSTRETCHED ARMS--
THEN HE THRUST A FLAMING PIECE OF TIMBER IN THE *CREATURE'S* FACE!
THE GIANT ROARED IN ANGER AND, IN A BLIND RAGE, CHARGED HIS TINY ADVERSARY...
WHO NIMBLY FELL ASIDE, CAUSING THE BRUTE TO FALL OVER THE CLIFF'S EDGE!
DICK VAN BUREN JOHN CELARDO
Copr. 1958 Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat Off.
Distr. by United Feature Syndicate, Inc
"I'M GLAD IT'S ALL OVER NOW," SAID THE NATIVE. "I ONLY WORKED FOR THE PROFESSOR BECAUSE MY SON WAS HIS PRISONER."
"LET'S HURRY, THEN!" EXCLAIMED TARZAN. "WE CAN SAVE HIM FROM THE FIRE!" THE NATIVE SMILED SADLY. "NO! YOU SEE--THE *CREATURE* WAS MY SON!!"
